Mayor James opened the City Council Meeting at 7:00 p.m. at the Community Center, 2200 Walnut Street, Granger, Iowa, 50109.

Roll Call: Present: Bermel, Danilson, Saak Not Present: Backous, Brandt

Danilson made a motion to approve the consent agenda, seconded by Saak. All Ayes.

Action to approve the request to close Walnut Street from State to Broadway for a block party on September 9th from 2 p.m. to 10 p.m. (with a rain date of September 10th) was approved by Saak, seconded by Danilson. All Ayes. The City will provide road closed signs.

City Building Official Update – The building official reported that the house has seen a major transformation on the outside and the inside remodel is a minor concern. He asks that we be patient with the property owner as there are personal health issues to contend with currently.

City Engineer Report – Water Tower Project – the Iowa Department of Natural Resources has approved the Preliminary Engineering Report (PER) for the new water tower project. The Iowa DNR will move forward with the environmental review and Finding of No Significant Impact (FNSI) process. The SRF loan program will fund the cost for a 250,000-gallon water tower. However, the City has the option to bid alternates for a larger water tower for future growth, but the difference between the water tower cost for the 250,000-gallon tower and the tower size selected by the City would not be SRF eligible. The City Council would like to bid for a 350,000-gallon water tower as well as a 250,000-gallon water tower. Action on Resolution 2023-30 to approve the Plat of Survey of Parcel 2023-117 was approved by Danilson, seconded by Bermel. All Ayes. Highway 17 Utilities Extension – Action to approve payment of Partial Payment Estimate 2 in the amount of \$7,315; with payment to be transmitted as soon as seeding has been completed was approved by Danilson, seconded by Bermel. All Ayes. Action on Resolution 2023-28 accepting Highway 17 Utilities Extension Project was approved by Danilson, seconded by Bermel. All Ayes. Action to approve payment of Partial Payment Estimate 3 (retainage) in the amount of \$11,210 to be paid after 31 days, on or about September 11, 2023, was approved by Danilson, seconded by Bermel. All Ayes. Birch Street Alternatives Discussion - the City Council would like Bob Veenstra to get pricing on widening Birch Street. More discussion at the September City Council meeting. New Urban Renewal Areas Discussion - each Urban Renewal Plan sets forth the proposed and an estimated maximum amount of funding for each project. For the Oak Street Urban Renewal Plan the only funding would be the development agreement grant to Fareway. For the Southeast Urban Renewal Area, the primary projects to be funded are the State Street Improvements, the Southeast Lift Station, Force Main and Sanitary Sewer project and the water main connection to Lamberts Landing. Secondary projects that could also be funded include a portion of the water tower and connector mains, a portion of the public safety building and potentially direct economic development grants.

City Administrator Report – The preliminary numbers came back higher than we anticipated. There is no time restriction on the bond referendum that was passed. The City Council would like to investigate other options that might bring the number down. Discussion on the parkland dedication ordinance and Lamberts Landing will be referred to the Plan and Zoning Commission which will be held in September.

Plan and Zoning Report – Action to approve Ordinance 416 regarding Storage Limitations in the C-3 District, second reading was approved by Danilson, and seconded by Bermel. All Ayes.

Police Report – The Police had 85 calls in July: 3 alarms; 5 animal complaints; 2 broadcasts; 1 civil dispute; 2 disturbances; 2 domestics; 2 harassments/threats; 3 fireworks; 2 follow-up investigations; 1 illegal burn; 1 information; 1 livestock complaint; 4 medical/ambulance trips; 2 motorist assists; 4 ordinance violations; 4 public assists; 5 return phone calls; 1 scam; 4 suspicious; 2 thefts; 4 traffic complaints; 1 traffic hazard; 21 traffic stops; 1 property report; 2 violation of protection order; 2 welfare checks; and 3 noise complaints.

EMS Report – Action to approve the hiring of Tyler Rommel, Michael Sbrocco, Ben Meyer, Nic Dilley, Aaron Mattison, Andrea Brouwer, and Jesse Bannor as part-time EMT's and Ken Buelt as part-time Paramedic (pending background check and drug screen results) effective immediately was approved by Danilson, seconded by Bermel. All Ayes.

Parks and Recreation Report – The Parks and Recreation Director has submitted a concept for the Triangle Park and Eagle View Park. The next step is to get cost estimates. The City Council was not in favor of a splash pad at this time due to the fact that our current water tower would not support it. Registrations are now open for the following: morning yoga, the FOTH stem event, and tumbling through Dance Driven. The Director will be advertising for a part-time Recreation Supervisor for \$10 an hour and you must be at least 16 years of age. There are sponsorship opportunities for Parks and Recreation that will go towards assisting in the cost of the movie licensing and

free popcorn, towards advertising and instructor fees and towards improvements to the current ballfields as well as new field space as they become available.

Public Works Report – Action to approve purchase of equipment to mow right of ways using RUT money was approved by Danilson, seconded by Bermel. All Ayes. The use of TIF LMI funds will help pay for the sewer lining that was done in the older part of town. The Public Works Director would like the following changed to Ordinance 362: a fee of \$50 will be charged during regular working hours, which is defined as 8 a.m. to 4:30 p.m. on regular City workdays from Monday through Friday. Delinquent water payments made to the City after 4:30 p.m. will result in restored water service on the next regular City workday. The City Attorney will amend the Ordinance to include these changes for approval at the September meeting. Action to approve Ordinance 417 revising requirement for backflow preventors on irrigation meters, first reading was approved by Danilson, seconded by Bermel. All Ayes.

Granger Days Report – Granger Days has raised over \$27,000 in sponsorship money. The schedule of events is set and there are just a few minor things that need to be done. The committee will set up and tear down and the Woodward Granger Football players will be handing the trash throughout the day of the event. We still have a few spots where we need volunteers to help at the inflatable wristband table.

Action on Resolution 2023-29 authorizing the City Clerk to make the appropriate inter-fund transfers of sums in the appropriate manner for the fiscal year 2023 was approved by Danilson, seconded by Bermel. All Ayes.

Action to set a Public Hearing on an amendment to FY 2023-2024 City of Granger Budget for 7 p.m. on September 14, 2023, was approved by Danilson, seconded by Bermel. All Ayes.

Finance Committee member Saak reported that everything is in order. Action to approve the Finance Committee Report was approved by Danilson and seconded by Bermel. All Ayes.

Action to approve the bills for payment was approved by Danilson and seconded by Bermel. All Ayes.

Mayor's Report - Mayor James mentioned he would be gone for the September City Council meeting.
